GUEST DIRECTORY

General Information

Administrative Office Hours:

Our administrative office hours are 8:00 a.m. – 4:00 p.m. Monday through Friday.

Visitors:

Guests are responsible for notifying Management prior to having a visitor. Visitors are allowed in the common areas only and must depart by 9:00 p.m. Guest keys may not be given to visitors for their use. Guests must have prior approval from management if additional family members arrive and need accommodation.

Guest Rooms:

Housekeeping staff provide light dusting, vacuuming, and bathroom cleaning to guest rooms once per week or at check-out, whichever comes first. Guests are responsible for the general daily cleaning of their room. Please do not rearrange the furniture within the guest room. Guest rooms are regularly checked to ensure sanitary and safety standards are being maintained.

Bedspreads, blankets and mattress covers will be laundered by housekeeping at the end of your stay. Please contact a Fisher House staff member if you need assistance prior to departure.

Personal appliances (hotplates, coffee makers, etc.) and open-flame appliances (candles, incense, etc.) are not permitted in guest rooms.

Common Areas:

Common areas are open from 7:00 a.m. to 10:00 p.m. It is a shared responsibility to keep common areas clean and organized. Fisher House guests are required to practice good hygiene by washing hands and/or using the available hand sanitizer frequently.

Kitchen & Dining Area:

Food and beverage storage and consumption must occur in the kitchen, at the kitchen bar, or in the dining room only. Water may be kept in the guest room. It is a shared responsibility to keep the kitchen and dining area clean. When Fisher House staff are not present, it is the guest's responsibility to assist with removing trash.

Guests may purchase groceries to store in the refrigerators and freezers; however, space is limited. The refrigerator is cleaned at least twice a week, and leftovers and expired food are discarded after 72 hours. Guests may also use their individually assigned cabinets in the kitchen island for all dry storage.

Guests are advised to use a trivet or hot pad on countertops to avoid damage.

Guests are asked to assist in loading and unloading the dishwasher. Please note that pots and pans should never be placed in the dishwasher.

Guests should always check that all appliances are turned off after use. Fire extinguishers are in the kitchen area for emergencies.

Outdoor Areas:

Please do not move lawn furniture and please use caution when operating the outdoor grill. The grill and all tools should be cleaned after use.

House Access:

For the safety of all guests, please keep the exterior doors locked. Please have the key card with you at all times. Only authorized guests are allowed access to the Fisher House. For everyone's safety, refrain from opening the doors of the Fisher House to unexpected visitors.

Quiet Time and Guest Consideration:

Observed quiet hours are from 10:00 p.m. to 7:00 a.m. Please be mindful of other guests by closing doors gently, keeping TV volume low, and tidying up behind yourself. Disruptive behavior, sexual misconduct, abusive demeanor, and demands for preferential treatment toward staff and guests are not permitted in the Fisher House.

Health and Wellness:

Guests who become ill or show signs of illness of any kind while staying at the Fisher House must wear a mask and use sanitizer while in common areas.

Patients are to be accompanied by a caregiver capable of safely meeting the guests' needs as medical or nursing services are not allowed or provided at the Fisher House. Guests are asked to update Fisher House management on their patient's medical condition weekly. If a patient's treatment is delayed or completed, the guest will be required to check out.

Medical supplies must be disposed of in a proper container provided by the hospital and/or medical staff. Guest medicines and/or breast milk are not authorized to be stored in the community refrigerator. Small coolers may be provided upon request.
